## Reusable Cloth Diaper

Best Bottom diapers are easy to use and easy to clean. Simply lay the shell flat and snap an insert into place. When it's time for a change just un-snap the insert and wipe the shell clean. Three sizes of inserts are available in Stay Dry and Organic Cotton / Hemp.

## Full Circle System

As your baby grows, you will need larger inserts to fit them and their "needs." With potty training comes a lesser need for absorbency until only a FeelWET insert is required. Save money and waste by reusing your small & medium Best Bottom diaper inserts as you start potty training!
